What are you most looking forward to at Teen Acting Camp? _____

I understand that the creative team will pick the best part for me. But I would like to try out for:

As a young actor, I understand that Theatre camp is a safe place to learn about acting, singing, the stage and how a show works. I will respect the people around me at all times. I will be the BEST I can be and will remember to listen, to memorize, to react, and have fun.

As a parent, I understand the Theatre camp is a safe place for my child to learn about acting. I will help my TEEN memorize lines and I will help the teen company "strike the set" after the last show on Saturday. I know the show dates are Friday, June 14 and Saturday, June 15. I will be sure my young actor has reliable transportation and will be on time for the run of the camp.
