American Red Cross Learn to Swim App Get more out of your swim lessons

Free Swim App – The American Red Cross has launched a free mobile app to help parents and caregivers of young people learning to swim. The app is designed as a companion to the American Red Cross Learn-to-Swim program. It provides water safety information and drowning prevention for adults and children.

American Red Cross App Features:

1. Performance charts and videos for each level
2. A tab dedicated to children with videos, quizzes and safety information based on WHALE tales water safety program educating young swimmers
3. Activities for parents, caregivers and children to do together
4. Swim profiles that parents and caregivers can track a child's progress while taking a Learn-to-Swim class.
5. A section specifically for adults that covers prevention and emergencies for home pools, beaches, lakes and rivers with quizzes to test the user's water safety knowledge.
