***Tiny Tumblers: 3-5yrs***

This class is FUN! Focus on strength development, improving coordination, flexibility, and following directions. Learn new skills, interact successfully with other children, and develop confidence through achievement. Must be potty trained, no pull-ups.

***Flyaways: 5-7yrs***

A fundamental class to develop strength, flexibility, coordination and self confidence through the mastery of gymnastic skills and promote increased body awareness and motor skill development.

***Cartwheels: 8-11yrs***

A faster paced class which focuses on fundamental gymnastics skills. Time is spent developing flexibility, coordination, and special awareness.

**Gymnastics Attire:**

Students must wear athletic style clothing (shorts/t-shirt) and may wear socks, shoes are not permitted.

\*Pending enrollment, some classes may need to be combined. Scholarships available.
