

## The City of Conroe is currently under a Modified Stage 2 Water Restriction.

The following water activities are permissible under this modified water restriction:

- Hand held hose with nozzle may be used for watering on any day and at any time.
- No restrictions on washing cars, planes, motor bikes, boats or other vehicles.
- No restrictions on filling swimming pools or fountains.
- No restrictions on power washing.

The following is the mandatory watering schedule for Automatic Irrigation Systems and Hose-End Sprinklers:

**St. Augustine Grass Watered Daily**

Odd addresses Residential and Commercial water on Saturday and Wednesday.

10:00 PM to 4:00 AM

Even addresses Residential and Commercial water on Sunday and Thursday.

10:00 PM to 4:00 AM

**Stage 2 Water Restrictions only apply to Automatic Irrigation Systems and Hose-end Sprinklers.**

Contact Water Conservation Manager at [waterconservation@cityofconroe.org](mailto:waterconservation@cityofconroe.org) for variance request form for new turf grass.

**St. Augustine Grass Watered Twice a Week**
