Our Automatic Bank Draft plan is the easiest and most convenient way to pay your water bill. With this service, you can pay your bill automatically through your bank or financial institution and your payment will never be delayed.

- You will continue to get your statement each month showing your water usage and the amount due.
- On the due date, your bank will withdraw the amount of your water bill from your checking or savings account, and forward it to the City of Conroe.
- After the Authorization Agreement has been processed, you will see the message “Paid by Bank Draft” appear on your water bill. Until that time, please continue to pay the bill in the usual way.
- Return drafts due to inefficient funds will result in termination of this program and must re-apply after 3 months of perfect pay by cash, money order or credit/debit card.

To enroll, just complete and sign the authorization agreement below and return it by one of the methods listed below. Call (936) 522-3170 if you need more information about the program.
