STRUCTURE FIRE AT PENTAIR – 4301 W DAVIS ST.

For Immediate Release
Contact: Mike Legoudes, Jr., Fire Marshal

January 11, 2014

Conroe, TX: The City of Conroe Fire Department was notified of a commercial structure fire at Pentair, located at 4301 W Davis St., at approximately 7:00 am on January 11, 2014.

Conroe Firefighters arrived at approximately 7:07 am and reported that there was smoke visible from the building. The fire was found in a filter drying oven. The building’s fire sprinkler system had activated, effectively containing the fire to the area of origin. Conroe firefighters entered the building and completed extinguishing the fire. The fire was declared under control at approximately 7:25 am.

All occupants were able to escape the building and were accounted for. There were no reported injuries to occupants or firefighters. This fire demonstrates the effectiveness of properly installed and maintained fire sprinkler systems in reducing injuries, loss of life, and loss of property due to fire.

The City of Conroe Fire Department Fire Marshal’s Office has determined the fire to be accidental in nature.
