**Subject: 2018 Municipal Contribution Rate**

Dear City Official:

Presented below are your city’s contribution requirements to the Texas Municipal Retirement System (TMRS) for Plan Year 2018 (Calendar Year 2018, PY2018) as determined by the December 31, 2016 actuarial valuation. The actuarially determined contribution rates for retirement benefits and Supplemental Death Benefits (SDB), if any, are based on your city’s plan provisions in effect as of April 1, 2017 and the actuarial assumptions and methods adopted by the TMRS Board. Effective January 1, 2018, your city’s monthly contribution rates will be:

Normal Cost	9.85%
Prior Service	<u>6.61%</u>
Total Retirement Rate	16.46%
Supplemental Death Benefit	<u>0.00%</u>
Total Combined Contribution	16.46%

Full information on your contribution rate, including an explanation of changes, is contained in the attached report. The Total Retirement Rate shown above represents the Actuarially Determined Employer Contribution (ADEC) for PY2018 based on current TMRS funding policy.

**IMPORTANT NOTE: The pension disclosure and financial statement information necessary to assist your city with the financial reporting requirements of the Governmental Accounting Standards Board (GASB) will be provided in a separate document available later this summer.**

If you have questions about your rate or if you wish to evaluate potential changes in your TMRS plan, contact TMRS at 800-924-8677.

Sincerely,

Eric W. Davis  
Deputy Executive Director
