CALL TO ORDER
CALL OF ROLL

PRESENT: Mayor Powell
Mayor Pro Tem Coon
Council Members Gibson, McDonald, Ham, and Czajkoski
City Attorney Marcus Winberry
City Administrator Paul Virgadamo
Assistant City Secretary Sami H. Quinlan

ABSENT: City Secretary Soco M. Gorjón

After a roll call by the Assistant City Secretary establishing a quorum was present, the workshop meeting was called to order at 2:00 p.m. by Mayor Powell.

The meeting agenda, which was posted in accordance with the Texas Government Code, Chapter 551, was presented.

Agenda folders containing data relating to agenda items had been furnished to Council Members prior to the meeting of the Council.

Agenda items were considered by the Council. The action taken concerning such item is shown on the official Council Action Sheet attached hereto and made a part of these Minutes.

After all business properly brought before the Council had been considered, City Council adjourned.

Toby Powell, Mayor

ATTEST:

Sami H. Quinlan, Assistant City Secretary
Mayor Powell asked for prayers for Director of Community Development Nancy Mikeska on the passing of her mother and for Mayor Pro Tem Coon’s daughter for health issues.

Mayor Powell asked for a moment of silence in remembrance of 9-1-1.

Mayor Powell recognized Police Officer Burge for his 3 years of service to the Conroe Police Department.

CITIZEN INQUIRY

TEXAS A&M TRANSPORTATION INSTITUTE PRESENTATION-CONNECTED VEHICLE ECO APPROACH
Director of Capital Projects/CIP Tommy Woolley presented Mr. Kevin Balke with Texas A&M Transportation Institute (TTI) and CAMP to Council to make a detailed presentation for modeling results for the proposed Connected Vehicle Eco Approach and Departure Project for the SH 105 West Corridor. Mr. Balke stated they completed the Traffic Optimization for Signalized Corridor (TOSCO) modeling result on SH 105 and would run a test from Walden Rd to Loop 336 on the West side. He asked for the City representatives to stay involved in the testing. Councilman McDonald inquired on the timeframe of testing and the cost after testing was complete. Mr. Balke said no cost was involved and the testing time would be 3-6 months. Mr. Woolley commented that only two cities were selected to be a part of this project, Detroit and Conroe.

Mayor Powell recognized the King of the Renaissance, his Viking, and Captain Raven Blue. The King asked Council and encouraged citizens to attend the Texas Renaissance Festival, which would take place October 5, 2019 through December 1, 2019.

CIP UPDATE
Director of Capital Projects/CIP Tommy Woolley presented to Mayor and Council the CIP Update. (Exhibit “A”)

VARIABLE FREQUENCY DRIVE – WATER PLANTS – NEAR WATER CREST SUBDIVISION
Director of Capital Projects/CIP Tommy Woolley presented Council for their review and consideration the proposed purchase to install Variable Frequency Drive (VFDs) on existing water pumps to minimize pressure issues with Water Crest Subdivision. Staff recommended approval of the purchase to Square D-Schneider Electric in the amount of $240,000.

UNDERGROUND ELECTRICAL CONVERSION PROJECT – CHANGE ORDER NO. 1
Director of Capital Projects/CIP Tommy Woolley presented Council for their review and consideration a proposed Change Order No. 1 to A&H Electric Services for the Underground Electrical Conversion Project. The change order included labor for the contractor to install remaining light poles, light pole bases, anchor bolts, conduits, new wiring and two bores at Highway 105 and SH 75 intersection. Staff recommended approval in amount of $52,377.

TXDOT ADVANCE FUNDING AGREEMENT – OLD CONROE ROAD PROJECT
Director of Capital Projects/CIP Tommy Woolley presented Council for their review and consideration the proposed TxDOT Advance Funding Agreement for the review of preliminary engineering on the Old Conroe Road Project in the amount of $50,000. Councilman McDonald inquired if the County would cover 50% of the cost and Mr. Woolley stated he could request that of the County. Staff recommended moving forward with the project.

MONTGOMERY COUNTY COMMITTEE ON AGING – FY 17 SECTION 5310 (SENIOR RIDES)
Director of Capital Projects/CIP Tommy Woolley presented Council for their review and consideration the proposed Resolution with Montgomery County Committee on Aging (D/B/A Senior Rides) for the use of the FY 17 Section 5310 Seniors and Individuals with Disabilities Funds for the Conroe-The Woodlands UZA. It was noted that the City of Conroe would use $17,263, 10%, of the funding to support the administration of the Section 5310 Program, and that Conroe-The Woodlands Mobility Committee had passed a Resolution in support of Meals on Wheels of Montgomery County and the award of $155,364.
AMENDING ARTICLE 1, CHAPTER 94 - STREET TYPES
Director of Capital Projects/CIP Tommy Woolley presented Council the proposed amendment to Article 1, Chapter 94 of the City of Conroe Code of Ordinances regarding street types for their review and consideration. Mayor Powell pointed out that we were not doing away with 29-ft. streets but making it more feasible to work through our system and future economical housing. Mr. Woolley presented options in detail for 27-ft. streets for Council's review and stated that staff recommended the proposed amendments. Council discussed the proposed street changes in detail and asked questions of Mr. Woolley. Mayor Powell inquired about complaints from builders, developers and homeowners. Mr. Woolley stated he did not meet with homeowners. Councilman Ham asked Fire Chief Kreger if 20-ft. alleyways were enough room for a pumper truck, to which Chief Kreger replied in the affirmative. Councilman Czajkoski commented that the committee did a wonderful job and stated his support of the proposed amendments to the Ordinance. Mayor Pro Tem Coon noted that all of these changes were being driven by the Developers Committee, and stated he still had quotes from Chief Kreger from a prior meeting stating his concerns. He stated it was about economics, pushing another lot in, and was at the cost of safety. Mayor Pro Tem Coon did not think “no parking” could be enforced. He noted that he respected all the hard work done on this issue, but could not agree with money over safety. Mayor Powell thanked the committee and Mr. Woolley for the presentation.

PUBLIC HEARING - AMENDMENTS TO ARTICLE 1, CHAPTER 94 - STREET TYPES
At 2:49 p.m., Mayor Powell recessed the Open Meeting in order to conduct a Public Hearing for the approval of the proposed amendments to the provisions of Article 1, Chapter 94, of the City of Conroe Code of Ordinances regarding street types. After receiving no comments, the meeting was reconvened at 2:50 p.m.

RENAMEING GLADSTELL ST (FRAZIER ST – SH 75 TO SILVERDALE DRIVE) TO EAST GLADSTELL ST
Director of Capital Projects/CIP Tommy Woolley presented Council for their review and consideration the proposed renaming of the entire length of Gladstell Street (Frazier Street – SH 75 to Silverdale Drive) to East Gladstell Street. Mr. Woolley stated that the request came from Conroe Independent School District since there were two locations with the same address. Staff recommended approval.

PUBLIC HEARING - RENAMING OF GLADSTELL STREET
At 2:52 p.m., Mayor Powell recessed the Open Meeting in order to conduct a Public Hearing to discuss the renaming of Gladstell Street (Frazier Street – SH 75 to Silverdale Drive) to East Gladstell Street. After receiving no comments, the meeting was reconvened at 2:53 p.m.

PARTIAL REPLAT OF TUSCANY AT LONGMIRE TOWNHOMES – A UNIT DEVELOPMENT
Director of Capital Projects/CIP Tommy Woolley presented a proposed partial replat of Tuscan at Longmire Townhomes for Council’s review and consideration. Mr. Woolley stated the original plat of this unit development subdivision was approved in September 2006; the developer constructed the townhomes over the existing lot lines and now is seeking to reconfigure 6-lots into 4-lots to comply with City Ordinance. Councilman Czajkoski stated he did not see a reason to bring this type of item to Council in the future. Attorney Marcus Winberry commented that he had prepared a draft Ordinance so that these types of items could be approved at staff level and that it would be presented to City Council for consideration in the next few weeks.

CHANGE ORDER NO 2 – WHARTON SMITH – HURRICANE HARVEY REPAIRS
Director of Public Works Norman McGuire presented Council a proposed Change Order No. 2 for Wharton Smith Inc. to decrease the current Purchase Order by $775,992.95 for Hurricane Harvey repairs at the Wastewater Treatment Plant. Mr. McGuire stated that all repairs were completed and they were closing the project $2.7 million under budget. Mr. McGuire noted that they increased efficiency, saved money, and the project turned out phenomenal. He also recognized Assistant Public Works Director Jason Miller and WWTP Superintendent Greg Hall for the great job on this project. Council thanked Public Works Representatives for the great job.

FREETE AND NICHOLS - EMERGENCY RESPONSE PLAN
Director of Public Works Norman McGuire presented Council the proposal from Freese and Nichols for professional services for the preparation of the Risk and Resiliency Assessment and update of the Emergency Response Plan, required by EPA. Mr. McGuire stated that cyber security was addressed and staff recommended approval of the proposed scope of work and fees in the amount of $104,512 to Freese and Nichols.
FRESE AND NICHOLS - EMERGENCY RESPONSE PLAN - CONTINUATION
Mayor Pro Tem Coon inquired about the $30,000 allowance in the proposal, and would like to see a cost savings. Mr. McGuire addressed Mayor Pro Tem Coon's concern and a representative from Freese and Nichols verified that The City could control the money times.

LOCAL AGREEMENT - MONTGOMERY COUNTY HOSPITAL DISTRICT
Chief Ken Kreger presented Council for their review and consideration the renewal of the Interlocal agreement with Montgomery County Hospital District for Towers, annual MDC License Maintenance and Fire/EMS Communications agreement. Chief Kreger stated this was a budgeted, housekeeping item and recommended approval.

31 GPS TRAFFIC PREEMPTION VEHICLE KITS
Fire Chief Ken Kreger asked Council to consider the proposed purchase of 31 GPS Traffic Preemption Vehicle Kits from sole-source provider Consolidated Traffic Controls in the amount of $94,240.00. Chief Kreger stated this would allow our emergency response vehicles to take advantage of traffic preemption equipment installed in approximately on 38 City of Conroe intersections by MCHD, which would allow for safer and more rapid passage through increasingly congested intersections.

FLEET FACILITY – REEDER DISTRIBUTORS
Fleet Services Manager Erik Metzger presented Council for their review and consideration the bid results for the Fleet Facility Equipment. Mr. Metzger pointed out that the Fleet Committee recommended awarding the bid to Reeder Distributors in the amount of $277,260, based on qualifications.

FLEET FACILITY – COLLIER CONSTRUCTION
Fleet Services Manager Erik Metzger presented Council for their review and consideration the selection of Collier Construction for the new Fleet Facility in the amount of $3,328,540. Mr. Metzger informed that a budget amendment of $905,729 would be required, and stated that the overages were materials, economy forecast changes, draining to detention pond, IT and Security, and electrical load costs. Assistant City Administrator/CFO Steve Williams stated that when debt was issued the total project was estimated at 2.9 million now the project has grown to over $905,729. Mr. Metzger stated that the size of the new facility would allow up to two fire trucks in the bay. Mayor Pro Tem Coon questioned reducing the size of the bay to which Mr. Metzger replied that the industry standard was 2.5 per technician. Mayor Powell stated it was best to do the upgrades now then wait 3 years. Councilman Czajkoski inquired about the office space in the new facility to which Mr. Metzger replied it was 3,000 ft. Councilman Czajkoski requested a copy of the proposal. Director of Public Works Norman McGuire stated that they would be repurposing the old Fleet building and that traffic signal technicians would be working out of it.

PERFORMING ARTS CENTER MARKETING/FEASIBILITY REPORT
Craig Garfield with Garfield Public Private presented Council a detailed Performing Arts Center Marketing/Feasibility Report for their review and consideration. Mr. Garfield stated the cost estimate ranged from 66 million to 89 million, depending on finishes and amenities, and did not include land cost. Councilman McDonald stated the Woodlands was moving forward with their center and discussed future possible sites for the center.

PUBLIC HEARING - CONROE PARK NORTH INDUSTRIAL PARK
At 3:52 p.m., Mayor Powell recessed the Open Meeting in order to conduct a Public Hearing on the proposed Conroe Park North Industrial Park, 610 acres expansion area Commercial/Industrial Tax Abatement Reinvestment Zone.

City Attorney Marc Winberry stated the construction project was still under design and pointed out that there was one contract for the purchase of property. CDEC Executive Director Danielle Scheiner stated there was a pending tax abatement agreement with the County as well. After receiving no additional comments, the Open Meeting was reconvened at 3:54 p.m.
